## KINDNESS

is a gift  
everyone can  
afford to give.

### VISION

**COLLABORATE** to support and help, **ADAPT** to changes, **PERSEVERE** despite difficulties and **SUCCEED** in all their efforts

### MISSION

Kuhio School's Mission is to prepare our students for 21<sup>st</sup> century careers and citizenship by engaging all learners in quality teaching and learning experiences that are rigorous, challenging, meaningful, diverse and exciting in a safe and supportive environment.

## Principal's Message for February 2021

Dear Kuhio Ohana,

As a principal I am proud to say that students at Kuhio School are the most **respectful**, **responsible**, **safety minded** and **caring** people that I know.

Let me give you an example. A grade 3 student gave each of her classmates in her "face to face" room, a kindness message in the shape of a heart, which she made at home. Why did she do this, you ask? This is what she shared with me. "I just wanted to thank them for being my friend since I am new to the school." What a nice gesture!

**February is National Random Acts of Kindness Month.** What does this mean? What can you do to join in and participate?

We can all show kindness if we **consciously** and **deliberately** brighten someone else's day by doing something kind for no reason besides wanting to make a difference and wanting to make someone smile.

The purpose behind celebrating this month is to get everyone, including adults to practice caring and kindness through our actions, words, smiles because everyone deserves to have a little more kindness in their lives these days.

Showing kindness towards family, friends, our community and sometimes strangers helps to strengthen our skills of respect, responsibility, empathy and compassion. Believe in kindness and **TOGETHER**, let's take on the Great Kindness Challenge to make the world a better place!

### MALAMA PONO

Wear a mask, watch your distance, wash your hands and when you are sick, stay at home.

Sincerely,

Lynn M. Kobayashi  
Principal of Kuhio School

## PRESCHOOL

### What We Are Learning

After we came back from winter break, we started learning about different countries. We enjoyed pretending to be Lady liberty. We also made some marigold flowers during Mexico week. And when we talked about Brazil, we saw the big statue of Christ the Redeemer. We can't wait for our next adventure. Our families are making posters to share and show our own countries too.
